Description: The Art of the Classic Sports Car offers a beautifully illustrated review of decades of high-performance cars from around the globe, all shot in the studio. Sports cars are the athletes of the automotive world. Always nimble and quick, often powerful, sports cars fly where other cars lumber, and dash where others plod. The definition of a sports car...

Review: I can't remember if I particularly liked anything. The book was so filled with factual and writing errors that I gave it away in disgust....
